PLEASE READ THE FOLLOWING POLICIES AND REGULATIONS WITH YOUR CHILD. YOUR SIGNATURES ON THE APPLICATION FORM INDICATE THAT BOTH YOU AND YOUR CHILD HAS READ AND UNDERSTANDS THE DISCIPLINE POLICY AND CLUB PROPERTY REGULATIONS. YOU CAN MAKE A COPY OF OR REQUEST A COPY OF THESE POLICIES AND REGULATIONS AT THE CLUB.

HAVE READ AND UNDERSTAND THE DISCIPLINE POLICY AND CLUB PROPERTY REGULATIONS. YOU CAN MAKE A COPY OF OR REQUEST A COPY OF THESE POLICIES AND REGULATIONS AT THE CLUB.

DISCIPLINE POLICY

School Age children are expected to listen and to follow oral directions, respect their surroundings, and interact with peers according to each child's developmental level. Each child is asked to respect adult authority and display a cooperative attitude.

Unacceptable behavior includes the following:

1. Injuring or unsafe behavior towards any child or adult (e.g. kicking, hitting, biting)
2. Consistent disruptive behavior which inhibits any routine or activity
3. Abuse or theft of the Boys & Girls Clubs or school property or materials
4. Verbal abuse or profanity toward any child or adult

All staff and volunteers will discipline in a positive way following the model used in area elementary schools. No physical punishment or action to the body will be allowed at any time. Withholding food, spanking verbal abuse, and belittling remarks toward the child or families are unacceptable forms of disciplinary action.

If a problem becomes apparent, the child is spoken to in a positive, gentle manner so other alternatives may be suggested to him or her to improve the situation. If the misbehavior continues the child will be asked to take "**TIME-OUT**" from the other children or the activity by sitting in a chair within sight of staff.

Any unusual, repeated or exceptional misbehavior will be reported to the child's parent or guardian, with a warning that if the misbehavior continues the child will be suspended from Boys & Girls Clubs for a period of one week. The child will be made aware of this notification. If, following the suspension, the misbehavior persists; Boys & Girls Clubs staff will send a written statement to the parents/guardian warning of possible termination. Another incident following the receipt of the warning may result in immediate dismissal from Boys & Girls Club.

BOYS & GIRLS CLUBS
OF HARRISONBURG AND
ROCKINGHAM COUNTY

Dear Parents,

We at The Boys & Girls Clubs of Harrisonburg and Rockingham County are excited about *Positive Action*, a curriculum for positive development of individuals, schools, families, and communities that we will be implementing this year. *Positive Action* is a nationally-recognized, proven program, so we are excited about the positive results we will be seeing soon. We know that parents are a vital component of student success, so we would like to tell you a little bit about the program so you can help reinforce it in your home.

1st Principle

The first principle is that we feel good about ourselves when we do positive actions. The opposite is also true: We feel negative about ourselves when we do negative actions. *Positive Action* helps children be intentional in their behaviors and experience the benefits of being positive.

2nd Principle

The second principle is there is always a positive way to do everything. Key skills for developing greatness in the physical, intellectual, social, and emotional areas of the whole self are taught through six units. We encourage you to discuss the *Positive Action* curriculum take-home materials with your child/children.

We believe *Positive Action* will make a big difference and that we will all be stimulated to grow in positive ways. Feel free to contact me with any questions. We look forward to sharing positive results with you soon!

Sincerely,

Matt Krantz
